NISHA

design Antonio Strobbe

La serie Nisha è caratterizzata da un design minimale che ricorda l'archetipo della sedia. Il giusto equilibrio dei volumi la rendono un oggetto discreto ed elegante, in sintonia con ogni situazione d'arredo; la semplicità della forma esalta la qualità della lavorazione. Accanto ai rivestimenti in pelle, ecopelle e tessuto, con una grande varietà di colori che caratterizza tutte le collezioni, Nisha è disponibile anche in cuoio nella versione sedia, sedia impilabile, con schienale alto, su quattro razze o cinque razze su ruote, lounge o poltroncina per soddisfare le esigenze del contract, dell'ufficio e della casa.

The collection Nisha is characterized by a minimalist design that recalls the archetype of the chair. The right balance of volumes makes it a discreet and elegant object in harmony with any furniture style; the simplicity of its shape emphasizes the quality of the manufacturing. Nisha is available coated with soft leather, synthetic leather and fabric in a large variety of colors that characterizes all the collections. It is also available covered in hide as chair version, stackable, with high-back, 4-star base or 5-star base on wheels, lounge or armchair in order to meet the needs either of contract, home or office furniture.

Uso e manutenzione.

Per la pulizia di pelle, ecopelle, cuoio, tessuto e delle parti in metallo o legno procedere con un panno morbido umidificato o con sapone neutro diluito. Non usare prodotti contenenti acetone, ammoniaca, solventi in genere o prodotti abrasivi. Per informazioni più specifiche rivolgersi al rivenditore. Evitare di intervenire per manutenzioni su qualsiasi componente del prodotto, in caso di problemi rivolgersi al rivenditore. Per sollevare e spostare il prodotto afferrare saldamente la struttura. Il prodotto non deve essere sottoposto a carichi decentrati; l'azienda si solleva da ogni responsabilità per eventuali danni provocati su pavimenti delicati o teneri. Evitare l'uso improprio del prodotto: non salire sul prodotto coi piedi, nè sul poggiatesta o sui braccioli. In particolare evitare oscillazioni che potrebbero pregiudicare il funzionamento e la sicurezza dell'utente. Non esporre alle intemperie, agli agenti atmosferici, nè a fonti di calore superiore ai 40°C. Eventuali alterazioni superficiali potrebbero verificarsi a specifiche condizioni di esposizione alla luce solare, di temperatura, umidità e salinità. Una corretta e frequente manutenzione e pulizia aumentano la durata del prodotto. Una volta dismesso, il prodotto ed i suoi componenti vanno conferiti ai sistemi pubblici di smaltimento secondo quanto previsto dalla legislazione in vigore.

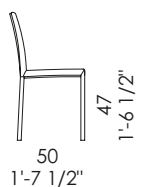

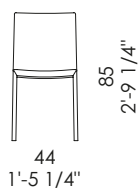

Use and maintenance instructions.

Clean soft leather, synthetic leather, hide, fabric and all parts in wood and metal with a damp cloth or a diluted neutral cleaner. Do not use cleaners with alcohol, bleach, solvent or abrasive products. Please contact the seller for more specific information. Avoid doing maintenance on any component of the product, in case of problems please contact your dealer. When lifting or moving the product, hold it firmly on the structure. The product should not be subjected to unbalanced weights; our company assumes no responsibility in case of damage caused to fragile floors. Avoid any improper use of the product: do not step on the product, on the footrest or on the armrests. Avoid any movement that could compromise the proper functionality of the product or the safety of the users. Do not expose the product to weather conditions or atmospheric agents, nor to heat sources over 40°C. The product could undergo possible exterior changes due to particular exposure to direct sunlight, heat, humidity and salinity. An appropriate and frequent maintenance and cleaning of the product enhances its durability. Once the product has been dismantled, the product itself or its components must be given to the public garbage disposal system, according to the legislation in force.

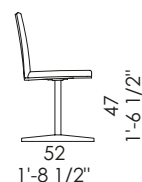

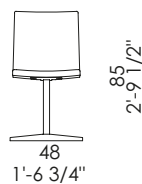

Usage et entretien.

Nettoyer le cuir souple, le similicuir, le cuir épais, le tissu et toutes les parties en bois et métal avec un chiffon doux et humide ou un détergent neutre dilué. Ne pas utiliser de produits à base d'alcool, eau de javel, solvant ou produits abrasifs. Merci de contacter le vendeur pour des informations plus spécifiques. Éviter d'intervenir pour des entretiens sur les composants du produit et pour tout problème, contacter le vendeur. Pour soulever et déplacer le produit, saisir fermement toute la structure. Le produit ne doit pas être chargé d'un poids décentré; notre entreprise n'assume aucune responsabilité des dommages qui pourraient être causés à des sols délicats. Éviter l'usage incorrect du produit: ne pas monter sur le produit, ni sur les repose-pieds ou sur les accoudoirs. Éviter les oscillations qui peuvent compromettre le fonctionnement du produit et la sécurité de l'utilisateur final. Ne pas exposer aux intempéries ni à des sources de chaleur supérieure à 40°C. D'éventuelles altérations superficielles peuvent se constater suite à l'exposition à la lumière, à des températures élevées, à l'humidité ou à la proximité de la mer. Un entretien correct et régulier des produits peut augmenter leur durée de vie. En fin de vie du produit, il faut l'éliminer avec tous ses composants selon les normes environnementales en vigueur.
