Design Ollen Pal

Noa è il tavolo moderno di design che si caratterizza per il suo movimento grafico dato dall'intreccio di 4 gambe a V in metallo laccato. La sua forte personalità viene definita attraverso un basamento di tendenza che sorregge un piano di cristallo extrachiaro trasparente o verniciato nero lucido di 12 mm di spessore, ma allo stesso tempo che si sposa perfettamente con i nuovi cristalli martellati di colore nero o bronzo e con uno spessore di 10 mm. Noa è il tavolo elegante che si sposa con tutti gli ambienti, dalle dimensioni più piccole a quelle più importanti, diventando parte integrante del salotto. Ideale anche come tavolo in vetro per i soggiorni più moderni. Linee essenziali che diventano il segno distintivo del tavolo contemporaneo, disponibile in forma rettangolare o sagomata e con piano in legno, ceramica o marmo. Noa rappresenta il compagno ideale per interior moderni, grazie alle sue linee dalla forte personalità che dura nel tempo, mantenendo sempre la sua modernità.

*Noa is the modern and design table that stands out for its graphic movement given by the interweaving of 4 V-shaped legs in lacquered metal. Its strong personality is defined through a trendy base that supports a transparent extra-clear glass or glossy black painted 12mm thick top, but at the same time perfectly matches with the new black or bronze hammered glass tops with a thickness of 10mm. Noa is the elegant table that fits with all environments, from the smallest to the most important dimensions, becoming an integral part of the living room. Also ideal as a glass table for the most modern living rooms. Essential lines that become the distinctive sign of the contemporary table, available in rectangular or shaped form and with a top in wood, ceramic, or marble. Noa represents the ideal companion for modern interiors, thanks to its strong personality lines that last over time, always maintaining its modernity.*
