

ASIA SOFT_4 gambe metallo / *ASIA SOFT_4 metal legs*

Design CSR Eforma

Asia Soft con gambe in metallo è la sedia classica e dal comfort estremo: la soluzione ideale per zone giorno in contesti eleganti, sale riunioni dallo stile contemporaneo o luoghi di ospitalità. Ideata secondo il design CSR Eforma, questa sedia classica è estremamente comoda grazie all'imbottitura: è infatti presente un cuscino sia nella seduta che nello schienale. Le gambe che sostengono la struttura sono realizzate in metallo verniciato. Rispetto alle altre versioni della collezione, la Sedia Asia Soft offre una grande comodità data dal rivestimento e dal cuscino integrato. Disponibile in due altezze in pelle, ecopelle o tessuto. Il rivestimento non è sfoderabile. Completano la collezione Asia le versioni Asia, Asia Diamond e Asia Edge. The Flex variant with flexible backrest makes it even more comfortable.

Asia Soft with metal legs is the classic and extremely comfortable chair: the ideal solution for elegant living areas, contemporary meeting rooms or hospitality settings. Designed by CSR Eforma, this classic chair is extremely comfortable thanks to the padding: there is in fact a cushion both in the seat and in the backrest. The legs that support the structure are made of painted metal. Compared to the other versions of the collection, the Asia Soft Chair offers great comfort given by the upholstery and integrated cushion. Available in two heights in leather, eco-leather or fabric. The upholstery is not removable. Completing the Asia collection are the Asia, Asia Diamond, and Asia Edge versions. The Flex variant with flexible backrest makes it even more comfortable.

Attenzione: il prodotto finito può presentare delle lievi variazioni di colore rispetto ai campioni forniti dall'azienda. I colori visualizzati sono puramente indicativi e possono variare rispetto alla realtà. Rivolgersi ad EFORMA o al proprio rivenditore di fiducia per ricevere maggiori informazioni. EFORMA si riserva di apportare modifiche e/o migliorie di carattere tecnico ed estetico ai propri modelli e prodotti in qualsiasi momento e senza preavviso. / *Attention: the final product may show slight variations in colour compared to the samples supplied by the company. The colours displayed are indicative and can vary in reality. Please contact EFORMA or your preferred retailer for more information. EFORMA reserves the right to change and/or apply technical and esthetical improvements to its models and products at any time without any notice.*

Metallo/Metal

I metalli della nostra collezione vengono verniciati a polvere così da rivestire le nostre superfici a scopo decorativo e protettivo. Lo spessore finale della verniciatura a polveri, risulta particolarmente elevata contribuendo ad una serie di rilevanti vantaggi sul prodotto verniciato: resistenza meccanica, resistenza agli agenti corrosivi, scarsa infiammabilità, precisione nell'applicazione. Le verniciature a polveri utilizzate sono totalmente atossiche e prive di solventi, per questo motivo la verniciatura a polveri è una lavorazione ECO-FRIENDLY, a bassissimo impatto ambientale. Disponibile la versione cromata dove il metallo o l'alluminio vengono rivestiti di cromo, conferendogli così durezza, resistenza chimica e resistenza all'ossidazione. / *The metals in our collection are powder coated in order to coat our surfaces for decorative and protective purposes. The final thickness of the powder coating is particularly high contributing to a series of advantages for the painted product: mechanical resistance, resistance to corrosive agents, low flammability, precision in the application. The powder coatings used are non-toxic and solvent-free, for this reason powder coating is an ECO-FRIENDLY process, with a very low environmental impact. The chrome version is available where the metal or aluminum is coated with chrome, giving it hardness, chemical resistance and resistance to oxidation.*

Legno/Wood

Il legno che viene utilizzato è tra i migliori che esistono sul mercato europeo. Viene lavorato con le migliori tecniche garantendo così resistenza e durata. *The wood which is used is one of the best available in European markets. It is worked with the best techniques guaranteeing resistance and durability.*

LEGNO MASSELLO/SOLID WOOD

Il legno utilizzato è un materiale di pregio che si caratterizza principalmente per la resistenza all'usura e per l'estetica. Durante il suo ciclo di crescita, sviluppo e maturazione, il legno si evolve nelle sue qualità come il cambio nel colore, nei nodi, e nelle vene. Essendo un materiale vivo, e naturale, può presentare delle variazioni di vene e di tonalità. *The wood used is a valuable material that is mainly characterized by its wear resistance and its aesthetics. During its cycle of growth, development and maturation, the wood's qualities. Evolve showing a change in color, in the knots, and in the veins. Being a living, natural material, it can present variations in veins and shades.*
